SPACES

We believe that new work can happen anywhere, not just inside one of the theatres. The spaces we have listed are examples. If you have an idea about a different space, propose it to us! Also, be open to accepting a different space. The focus of the festival is to find creative ways to make art, no matter what.

Space Requested (See attached descriptions): _____

Please Explain:

NEW WORKS FESTIVAL MISSION

New Works is a festival run by the students for the students. A time to celebrate the artistic potential of the student body, New Works encourages interdisciplinary collaboration, explorative processes, and immersive risk-taking.
